Dear Mobashreen MIS,

I hope this email finds you well. I am writing to formally resign from my position as a Software Engineer at MSys Technologies Pvt Ltd, effective 29/09/2023.

This decision has been carefully considered, and I believe it is the right step for both myself and the company. I have thoroughly enjoyed my time at MSys Technologies Pvt Ltd and am grateful for the opportunities and experiences I have gained during my tenure here. It has been a pleasure working with such a talented and dedicated team. I appreciate the support and mentorship I have received from you and my colleagues.

I am committed to ensuring a smooth transition during my notice period. I will complete any outstanding projects and will be happy to assist in finding a replacement or training my colleagues to take over my responsibilities.

Please let me know how you would like me to handle the transition process. I am open to discussion and will do my best to ensure a seamless handover.

I want to express my gratitude to you and the entire MSys Technologies Pvt Ltd team for the positive experiences and opportunities I have had here. I look forward to staying in touch and hope to cross paths in the future.

Thank you once again for your understanding and support during this time of transition. I am excited about the new opportunities that lie ahead and am confident that my time at MSys Technologies Pvt Ltd has prepared me for them.

Sincerely,

Vishal Hirandagi
